About Us

Incorporated in the year 2002 by an expert group of Professional Accountants. IPA is an initiative that serves the noble purpose of imparting quality education in the niche of accounting. The ISO 9001:2015 certified institute ever since its inception has grown by leaps and bounds. The reputation of IPA enjoys today attributes mainly to the immense level of dedication showcased by the team here. Our intellectual team of trainers constitutes Chartered Accountants, Tax Consultants, Professional Accountants and Retired Officers having national and international repute. All are extremely experienced in their related domains with a proven track record. Being a Successful accountant demands you to be fortified with a specific skill set; you should have knowledge, experience and inventive aptitude. Our courses are tailor-made to equip students with all those virtues and qualities that it takes to keep them separated from the herd. Mere theoretical knowledge is good for nothing; you should be practically adapt as well. Competition is becoming stiffer day by day and only the best ones sustain it. At IPA, we unremingly strive to mould our students into the best breeds. The strategically crafted courses offer aim to make the learners intensively acquainted with practical accounting in both National and International standards. You will be taught to effectively use all popular and operative computer accounting software. All possible challenges that you might have to face in your professional lives will be addressed. Understanding the importance of staying adaptive to the changing requirements of the market place, or syllabi for different courses keeps on evolving over time. Each student reaching us leaves as a perfectly trained Professional ready to take up any Accounting related job with confidence.
